(+62) 85157573405 | rakanfadhilp@gmail.com | https://www.linkedin.com/in/rakanfadhilp/ | rakanfadhil.com

Informatics Engineering graduate from Universitas Brawijaya with experience in web development and IT support. Built a company website with content management and SEO optimization, and supported IT operations by helping troubleshoot technical issues and create safety induction materials. Skilled in JavaScript, React JS, PHP, Laravel, and Python. I'm looking for an opportunity where I can contribute and keep learning.

EXPERIENCES

PT. Tri-Wall Indonesia Oct 2025 - Apr 2026

IT Staff Intern

- Developed and maintained a multilingual company website (4 languages, 76+ pages), covering product pages, SEO optimization, and responsive design.
